Rodent Control Logbook

Pilot Draft Version 8-00

"x" indicates a number answer is needed.
When filling in caught or killed index indicate mice (m) or rats (r).

Date mo/day/yr	Initials	X Traps set (if needed)	Caught or killed Index (x)	Number of rats sited monthly (x)	Placed x new stations	Refresh bait in x stations	Brand name of bait	Active ingredient of bait	Lbs. used (x)

Document below the disposal method for all unused bait replaced.

Note: Always include a rodent control diagram with your logbook for the facility and site. This diagram should indicate the location of all bait stations and rodent traps for the site. The logbook and diagram should be updated monthly at a minimum.
