Dear Mrs. Tonya Woods,

APR 20 2011

After recieving your certified letter today and talking with you on the phone 3/23 1:48pm central time, here is the information that I am requesting to be mailed to me.

I Brenda Arnett, breeder would like to recieve a list of the Missouri breeders to whom a letter was received back per your request to the USDA office concerning the court case (Humane Society of the United States v United States Department of Agriculture, Civil Action No 1683 RMU (D.D.C.) I understand that thru the Sunshine law I am able to make this request I only need the names, and town they are from. I'm not concerned w/ other information on the form but you stated you may have to send it that way.. I personally want to see who is not standing up and doing what is asked of them. and being ~~law~~ counted for. If, their name is not on this list I don't want to hear the sad sad complaints about the matter. Thank you for your time I appreciated your honesty. Keep up the good work.

Mail it certified if you WISH Thank you

Sincerely yours
Brenda Arnett 43-A-4793
