AQI User Fee Webinars and Cost Model Rollup Reports

Last Modified:

On August 11, 2023, APHIS published a proposed rule in the Federal Register outlining proposed changes to its user fees charged for certain Agricultural Quarantine and Inspection (AQI) services. This page contains resources related to the proposed rule.

View the rulemaking docket for the proposed rule on regulations.gov

2023 AQI User Fee Proposed Rule Stakeholder Webinars

In association with this proposed rule, APHIS hosted six stakeholder webinars for stakeholders impacted by each fee. Each webinar targets a separate fee area and lasts approximately 60 minutes. Recordings were posted for those who could not attend the live sessions.

Date	Time (ET)	Audience (User Fee Area)	Webinar Recording
9/12/23	3:00 p.m. to 4:00 p.m.	Commercial Truck	See the webinar
