2023-APHIS-00669-F	Somerville-White, Danielle	-	<p>I request that a copy of the following documents and information be provided to me: 1. Please provide the Name, purchase receipt, brand, license, ingredients, efficacy studies locations of the Rabies bait program from 2017-2022 in Southwestern Virginia and Appalachia; 2. Information as to why isn't the USDA dropping these baits in the western states? They have just as many raccoons; 3. On the site: https://www.aphis.usda.gov/aphis/ourfocus/wildlifedamage/programs/nrmp/ct_orv_vaccination you claim approximately 55,000 people are administered post-exposure prophylactics (PEP) annually resulting in over \$200 million in health care costs. Please explain how dropping rabies baits is preventing rabies; Please explain how the rabies vaccine protects against a virus; 4. Please provide the isolated DNA structure and cell line of the rabies virus you are targeting through the Raboral V-RG baits; 5. Please provide the patent number of the rabies baits; 6. Please explain how the license or permit issued allows for vaccinating wild raccoons when it explicitly states "domestic pets"; 7. Please disclose any financial gain by any USDA AGENTS including but not limited to Tom Vilsack from the disbursement of these baits including from Merial, Boehringer; 8. Please disclose the English version of the Trademark that is now expired for the Rabies Baits; 9. Please provide the efficacy studies and rates from 1998-2022 of the rabies baits; 10. Please provide any scientific double blind or other laboratory studies proving the percentage of efficacy of the rabies bait and vaccine; 11. Please provide any financial gain made by any USDA agent with the One Health Initiative; 12. Please provide any studies or damage control done regarding dropping of the baits and subsequent heavy rainstorms causing bait chemicals to contaminate streams and waterways; 13. Please provide a general accounting ledger, payees and financial report involved with the purchase and distribution of the rabies baits from 2017-2022; and 14. Please provide the name, contact number and reason of the individual who determined that it was safe to drop rabies baits spliced with Genetically modified live smallpox virus and toxic chemicals including Chitosan and whether this activity is what the USDA or government would define as a violation of 14 CFR § 91.15 Dropping objects.</p>	11/14/2022
