

APHIS Careers

Follow Us [_](#)

APHIS is a multi-faceted agency with a broad mission area that includes protecting and promoting U.S. agricultural health, regulating genetically engineered organisms, administering the Animal Welfare Act, and managing wildlife damage. These efforts support the overall mission of USDA, which is to protect and promote food, agriculture, natural resources and related issues.

[Professionals](#)

We employ experts in every area of animal and plant health and professionals of all educational backgrounds and experiences.
