

September 1985

**IMPORT HEALTH REQUIREMENTS OF BOLIVIA
FOR HORSES FROM THE UNITED STATES**

The animals must be accompanied by a U.S. Origin Health Certificate issued by a veterinarian authorized by the U.S. Department of Agriculture (USDA) and endorsed by a Veterinary Services (VS) veterinarian. The certificate shall contain the name and address of both the consignor and consignee and complete identification of the animals to be exported. Additional information shall include:

TEST REQUIREMENTS

Equine infectious anemia: Agar-gel immunodiffusion (Coggins) test within 30 days of export.

OTHER INFORMATION

An import permit must be obtained prior to exportation from the following address:

Ministerio de AA.CC y Agropecuarios Direccion de Ganaderia Casilla 521 Santa Cruz, Bolivia

EMBARKATION CERTIFICATION

At the port of embarkation, a VS port veterinarian shall attach to the U.S. Origin Health Certificate, the Certificate of Inspection of Export Animals (VS Form 17-37) showing:

1. The name and address of the consignor.
2. The name and address of the consignee.
3. The number and species of animals to be shipped.
4. A statement that the animals have been given a careful veterinary inspection at the port of embarkation and found free from evidence of communicable disease and exposure thereto within 24 hours of exportation.
