

HANDWRITTEN INSPECTION REPORTS	In the event of a computer or printer failure, the inspector should use the blank pre-printed inspection reports (see page 7.10.2).
	You, the inspector, must always have a supply of blank pre-printed inspection reports either with you or in the government vehicle. When using the pre-printed lined inspection report: <ul style="list-style-type: none">• hand write all information in a legible and neat manner• use black or blue ink
