

## Designated Scrapie Epidemiologists & Local Points of Contact

Following are the USDA, APHIS, Veterinary Services Designated Scrapie Epidemiologists (DSEs) and local points of contact listed by State. Please contact them for information on the National Scrapie Eradication Program or the Scrapie Free Flock Certification Program (SFCP). Note the following: some DSEs cover more than one State; and some States are covered by a remote DSE but also have a local point of contact for scrapie and SFCP questions.

*For tag orders and tag information, please call 1-866-USDA-TAG and ask to speak with the scrapie tag clerk.*
