Jamaica, NY 11413

Port Services

Port Services personnel inspect livestock imported into or through the United States at land borders and airports. This unit also coordinates inspection and shipping of livestock being exported from the United States via seaport, and provides oversight to private livestock import quarantine operations not managed by the AIC unit.

Policy, Permitting, and Regulatory Services

Policy, Permitting, and Regulatory Services encompasses the units of Live Animal and Animal Products Permitting and Negotiation Services, as well as Regionalization Evaluation Services. These staffs are responsible for negotiating trade agreements and protocols with our international partners, drafting and implementing trade related policy, performing animal disease risk assessments, and assessing regionalization and compartmentalization requests.

Adis Dijab National Director, Animal Product Permitting & Negotiation Services	301-851-3300, opt. 1 AskNIES.Products@aphis.usda.gov	4700 River Road Riverdale, MD 20737
