**ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE (DEALERS AND EXHIBITORS).**

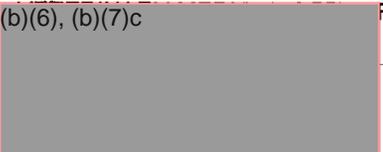

"Each dealer shall establish and maintain a program of adequate veterinary care that includes the use of appropriate methods to prevent, control, diagnose, and treat diseases and injuries."

The brown adult female poodle has overgrown nails and very matted fur. Long nails can cause injury to the animal's feet and matted fur can hide or cause skin disease and be very uncomfortable for the animal. This dog must have her nails trimmed and matts removed. Correct within 24 hours.
