Inspection

Type: ROUTINE INSPECTION

Date: JUL-18-2005

2.132 (d)

PROCUREMENT OF RANDOM SOURCE DOGS AND CATS, DEALERS.

Section 2.132(d) Procurement: No dealer or exhibitor shall knowingly obtain any dog, cat, or other animal from any person who is required to be licensed but who does not hold a current, valid, and unsuspended license.

This licensee has paid \$2,800 to JZ for guinea pigs in 2005. JZ does not have a valid USDA dealer's license. Any person who derives more than \$500 from the sale of guinea pigs to a dealer is required to obtain a license with the USDA. This was discussed with the licensee during the January 2005 inspection.

Correct by August 1, 2005.
