GRAY, ME 04039**

2.40 (a)

ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE (DEALERS AND EXHIBITORS).

Each dealer or exhibitor shall have an attending veterinarian who shall provide adequate veterinary care to its animals in compliance with this section.

(1) Each dealer and exhibitor shall employ an attending veterinarian under formal arrangements. In the case of a part-time attending veterinarian or consultant arrangements, the formal arrangements shall include a written program of veterinary care and regularly scheduled visits to the premises of the dealer or exhibitor.

Outdated item, laxatone: 8/99, lot 9634.
Disposed of during the inspection.

Program of veterinary care last dated 1/99. This program needs to be updated.
CORRECT BY 2/18/04

Medical items noted stored with wasp spray, batteries and in a general storage area.
These items need to be stored in an area with only medical items.
CORRECT BY 02-18-04

3.125 (a)

3.125 (c)

FACILITIES, GENERAL.

Structural strength. The facility must be constructed of such material and of such strength as appropriate for the animals involved. The indoor and outdoor housing facilities shall be structurally sound and shall be maintained in good repair to protect the animals from injury and to contain the animals.

Porcupine and fisher cages noted with protruding bolts, wires and nails. Raccoon cage also noted with rusted metal gate area that has sharp edges and protruding bolts. These areas need to be repaired.
CORRECT BY 04-11-04

Storage. Supplies of food and bedding shall be stored in facilities which adequately protect such supplies against deterioration, molding, or contamination by vermin. Refrigeration shall be provided for supplies of perishable food.

Dog feed storage area noted with spilled feed. This area needs to be cleaned.
