Inspection
Type: ATTEMPTED INSPECTION
Date: DEC-01-2005

**2.126 (a) REPEAT NCI
ACCESS AND INSPECTION OF RECORDS AND PROPERTY.**

- (a) Each dealer, exhibitor, intermediate handler, or carrier, shall, during business hours, allow APHIS officials:
 - (1) To enter its place of business;
 - (2) To examine records required to be kept by the Act and the regulations in this part;
 - (3) To make copies of the records;
 - (4) To inspect and photograph the facilities, property and animals, as the APHIS officials consider necessary to enforce the provisions of the Act, the regulations and the standards in this subchapter; and
 - (5) To document, by the taking of photographs and other means, conditions and areas of noncompliance.

On 1 December 2005 at 11:00 AM to 11:55 AM no one was available to conduct an animal welfare inspection. This is the third consecutive attempted inspection.

The exhibitor's facility and animals were not inspected for compliance with the Animal Welfare regulations or standards. A responsible individual must be available to accompany the inspector on an animal welfare inspection.

Several attempts to contact the licensee by telephone were made. A message could not be left on the licensee's answering machine as the telephone company message stated that, "the number you have reached is being checked for trouble." At approximately 5:00 PM the licensee's telephone number was called and a message was left indicating that an inspection was attempted earlier in the day, that a message was previously attempted but the line was being "checked for trouble", that the itinerary for the month of December 2005 had not been received, and that an animal welfare inspection has to be completed in the near future.

Please provide your hours of availability and provide the itineraries for your exhibiting activities as soon as possible. Please contact the undersigned through voicemail service number 703-812-6592 to provide information concerning your hours of operation. Please fax your itineraries to 815-421-0372.
