Inspection

Type: ROUTINE INSPECTION

Date: NOV-20-2003

All redactions on this page are pursuant to (b)(6) & (b)(7)(c).

Animal inventory: 1 Kangaroo

This inspection is for their Traveling Site and was conducted at Cashman Center, with the Universal Circus, in Las Vegas, Nevada, on November 20, 2003.

No non-compliant item was noted this inspection.

Note: Facility was granted a permit by the City to have a kangaroo performance as long as there is no public contact with the animal.
