DOW CHEMICAL

Inspection

Type: ROUTINE INSPECTION

Date: JAN-05-2006

2.31 (d) (5)

INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

2.31(d)(5) - IACUC - The IACUC shall conduct continuing reviews of activities covered by this subchapter at appropriate intervals as determined by the IACUC, but not less than annually. Protocol # Acute Tox 04 received its last annual review and approval in August 2004. This protocol is now overdue for its renewal. It has been reviewed but not yet approved by the IACUC pending the provision of additional information. It is essential that this protocol be renewed in order to ensure that the animals are used in a judicious and humane manner.

Correct by: Correct before any additional work is done using this protocol.
