Additionally, I am requesting details of minutes of any meetings that were held with Fox Agriculture officials from June 2017 through August 2017 pertaining to the above. I am requesting this information in light of concerns among British politicians on the subject of food standards, and the concerns that they would be lowered to accommodate a potential trade deal between Britain and the United States after the UK formally ceases its status as a member of the European Union.	2/28/2018
