

Appendix G

List of Vessels Equipped for Intransit Cold Treatment

A database of approved vessels is maintained by the PPQ Center for Plant Health Science & Technology (CPHST) Treatment Quality Assurance Unit (TQAU). To search for an approved vessel, consult the TQAU database:

<https://treatments.cphst.org/vessels/>

If you have questions regarding the status of vessels, contact CPHST at (919)855-7450 or fax (919) 855-7493 for the current status of the vessel
