From the state of Chiapas

ALL Papaya (fruit) (prohibited into Hawaii) (commercial shipments only)<sup>12</sup>

\* Commercial shipment must be accompanied by a phytosanitary certificate declaring the shipment has been inspected and found to be free of < Copitarsia larvae and adults. Inspect the shipment for pests. If a phytosanitary certificate is absent require T101-b-1. For shipments in passenger baggage, do not refuse entry for lack of a phytosanitary certificate. However, thoroughly inspect the vegetables for pests.
