¹ Provisional name.

² Fruits receiving cold treatment may enter at these additional ports: Gulfport, MS; Seattle, WA; and Wilmington, NC.

³ If the prescribed refrigeration period is met upon arrival, the treated commodity may enter at any port of entry in the U.S. staffed by PPO. However, if the prescribed refrigeration period is unmet upon arrival, then the commodity may enter only at a North Atlantic Port, Gulfport, MS; Seattle, WA; or Wilmington, NC.

⁴ Must be accompanied by a phytosanitary certificate stating that, "These tomatoes were grown in registered greenhouses in Dakla Province, Western Sahara and were picked at the time of packing."

⁵ If the tomatoes transit fruit fly supporting areas of Europe and South America, they must be sealed by the Ministry of Agriculture of Western Sahara and the official seal must appear on the phytosanitary certificate.
