

# Appendix G

## *List of Vessels Equipped for Intransit Cold Treatment*

---

This directory is updated quarterly. Call Oxford Plant Protection Laboratory or your local Plant Protection and Quarantine (PPQ) Office for a current list of approved vessels.

If you have questions regarding the status of vessels, contact Oxford Plant Protection Laboratory at Commercial Area Code (919) 693-5151 or fax (919) 693-3870 for the current status of the vessel
