U.S. Ports of Entry for Horses, Including Equine Semen and Embryos

Last Modified:

[Print](#)

Due to the dynamic nature of security requirements and inspection personnel you *MUST* contact the port at least *3 business days prior to crossing*. Each port may have its own additional requirements - contact them for the latest information.

Check with the border port to determine if they require the importer to use an authorized customs broker.

Air and Sea Ports Accepting Horses from Overseas
