Questions and Answers: Importing Live Dogs Into the United States

Q: What do I need to do to import a dog into the United States for resale purposes?
A: Please take the following steps:
Step 1: Request an import permit application from USDA Animal Care. Contact Dr. Gerald Rushin by phone (301-851-3740), email (Gerald.L.Rushin@aphis.usda.gov) or mail (USDA – APHIS – Animal Care, 4700 River Road, Unit 84, Riverdale, MD 20737).
Step 2: Make sure the dog is examined by a veterinarian.
Step 3: Make sure a veterinarian administers all appropriate vaccinations and completes the necessary health certificate.
Step 4: Make sure a veterinarian also administers the rabies vaccination and completes a rabies vaccination certificate.
Step 5: Return the completed import permit application, health certificate and rabies vaccination certificate to: Dr. Gerald Rushin, USDA – APHIS – Animal Care, 4700 River Road, Unit 84, Riverdale, MD 20737. Your import permit application must explain which part(s), if any, of the live dog import regulations would interfere with a research protocol approved by your research facility’s institutional animal care and use committee.
Step 6: USDA Animal Care will send you the necessary import permit. (Please allow up to 10 days for processing once Animal Care receives your application.)

Q: What do I need to do to import a dog into the United States for research purposes?
A: Please take the following steps:
