

Certification Requirements: Export of Inedible Protein Free Tallow for Industrial Use

The following certification statements should be provided in the Additional Declaration section on a VS Form 16-4, Export Certificate for Animal Products, for the export of inedible protein free tallow for industrial use to Peru. Product description (product box on VS Form 16-4) should include the species of origin (bovine) and the quantity of product being exported.

The first (unnumbered) certification statement must be made by APHIS VS. The remaining, numbered certification statements are to be made on the basis of a notarized affidavit from the manufacturer. NOTE: All certification statements are provided in both English and Spanish. The VS Form 16-4 accompanying the product should be bilingual.

Please see asterisked comments at the end, including ** pertaining to additional information the exporter needs to provide to the government of Peru. Please also note that the additional information is not to be a part of the certificate, nor is it to be endorsed by APHIS.
