According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0579-0013. The time required to complete this information collection is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.  This report is required to determine if tests conducted on each serial and each subserial are satisfactory prior to release of the serial or subserial (9 CF)							OMB Approved 0579-0013 EXP.: 03/2027
