AWI believes that the USDA APHIS Animal Care office will have information responsive to this request. For purposes of this FOIA request, "all records" encompass: (I) any written, printed, or typed material of any kind, including without limitation all correspondence, memoranda, notes, meeting minutes, emails from or to official or personal e-mail accounts, spreadsheets, reports, calendars; (ii) any electronically, magnetically, or mechanically stored records, such as materials stored on a compact disk, digital video disk, microfiche, regardless of form; (iii) any audio, visual, aural, or video records, including but not limited to photographs, videotapes, microfilm; and (iv) any other records preserved by any other means for documenting thought or expression. AWI is interested in draft as well as final versions of these records, and for the time period spanning Fall 2021 through present day. <input type="checkbox"/>	2/18/2022
2022-APHIS-02258-F	Gordon, Brian	USA Today Network	I am a reporter in North Carolina with the USA Today Network, writing with the following information request: 1. A list of the people and/or facilities in North Carolina that currently hold a permit to feed garbage to swine as defined in this state information page: http://reports.oah.state.nc.us/ncac/title%202%20-%20agriculture%20and%20consumer%20services/chapter%2052%20-%20veterinary/subchapter%20h/subchapter%20h%20rules.pdf	2/18/2022
2022-APHIS-02259-F	Gomez, Erin	-	This is a request under the Freedom of Information Act. I am requesting copies of the following records or all records containing the following information: the investigator notes and findings from the recent vehicle crash involving laboratory monkeys being transported to a CDC approved quarantine facility on Route 54 at the junction with Interstate 80 near Danville, Pa on January 21, 2022. PETA recently asked for an investigation into this matter, as it falls under the Animal Welfare Act, which is enforced under the USDA. As the FOIA requires, please release all reasonably segregable nonexempt portions of documents. The reason for this request is to evaluate the treatment of laboratory animals during the transportation and quarantine processes, as well as the risks to workers (truck drivers, laboratory technicians, animal handlers, etc.) who come into contact with these animals.	2/18/2022

(Date Range for Record Search: From 11/01/2017 To 04/30/2018)	2/25/2022
2022-APHIS-02347-F	Christensen, RaeAnn	KUED	We would like to get information on how many times Highland City in Utah has culled animals at the Highland Glen Park Pond in the last 10 years. (Date Range for Record Search: From 02/01/2012 To 02/25/2022)	2/25/2022

2022-APHIS-02349-F	Flaugher, Kaylie	People for the Ethical Treatment of Animals	For the period from November 30, 2021, to the date the search for records begins, I am writing to request high-resolution copies of any photographic or videographic records documenting non-compliances during inspections carried out by the U.S. Department of Agriculture (USDA) Animal and Plant Health Inspection Service (APHIS) of any and all registered research facilities, including federal research facilities. (Date Range for Record Search: From 11/30/2021 To 02/25/2022)	2/25/2022
2022-APHIS-02352-F	(b) (6)	-	Request results of Complaint tracking number AC22-317. (Date Range for Record Search: From 1/24/2022 To 2/21/2022)	2/25/2022
2022-APHIS-02184-F	Schowe, Devan	Born Free USA	I am looking to obtain annual inventory lists (stock lists) of the animals held at all United States zoos for which the USDA holds records. I am requesting both the historical and the most current animal lists (from the earliest zoo on record to the current year 2022, or most recently-updated year provided). I am specifically looking for the animal species and number of animals at each registered facility, including Association of Zoos & Aquariums (AZA) facilities as well if applicable. (Date Range for Record Search: From 01/01/1950 To 02/15/2022)	2/28/2022
2022-APHIS-02363-F	Theis, Cecelia	-	Since January 1 2005 up until the present date or February 26, 2022, please provide documentation of any and all predator control activities done for the East Bay Regional Parks for any property located in the City of Oakland, California. Please include work done for the control of all animals, including birds and squirrels and all animals considered a threat to the human health and or predation of other animals. I am specifically seeking documentation that there was active predator removal work being done by USDA for East Bay Regional Parks for the years since 2005. Please include any kind of list or itemization or report done that will specify when animals were removed, identifying the kind of animal and the relevant licenses that were used in order to "take" animals. (Date Range for Record Search: From 01/01/2005 To 02/26/2022)	2/28/2022
