LEGAL AUTHORITY

1. PURPOSE

To state the legal authority of the Wildlife Services (WS) program as authorized by the United States Congress.

2. REPLACEMENT HIGHLIGHTS

This directive replaces ADC Directive 1.210 dated 6/4/94.

3. BACKGROUND

The functions of WS under the Secretary of Agriculture were first established in 1885. These functions, administered through the Bureau of Biological Survey were transferred to the Secretary of the Interior by the 1939 Reorg. Plan No. II, Sec. 4(f), effective July 1, 1939, set out in note under section 133t of Title 5. On December 19, 1985, the wildlife damage management function was returned to the USDA from the U.S. Department of the Interior pursuant to Federal legislation (Public Law 99-190: H.J. Res. 465, 99th Cong. 1st Session).

3. AUTHORITY

The WS program is conducted pursuant to:

a. The Act of March 2, 1931, (46 Stat. 1468; 7 USC 426-426b), as amended:

Section 426. Predatory and other wild animals.
“The Secretary of Agriculture may conduct a program of wildlife services with respect to injurious animal species and take any action the Secretary considers necessary in conducting the program. The Secretary shall administer the program in a manner consistent with all of the wildlife services authorities in effect on the day October 28, 2000.”

Section 426b. Authorization of expenditures for the eradication and control of predatory and other wild animals.
“The Secretary of Agriculture is authorized to make such expenditures for equipment, supplies, and materials, including the employment of persons and means in the District of Columbia and elsewhere, and to employ such means as may be necessary to execute the functions imposed upon him by 426 of this title.”

Section 426c. Control of nuisance mammals and birds and those constituting reservoirs of zoonotic diseases; exception. "On and after December 22, 1987, the Secretary of Agriculture is authorized, except for urban rodent control, to conduct activities and to enter into agreement with States, local jurisdictions, individuals, and public and private agencies, organizations, and institutions in the control of nuisance mammals and birds and those mammal and bird species that are reservoirs for zoonotic diseases, and to deposit any money collected under any such agreement into the appropriation accounts that incur the costs to be available immediately and to remain available until expended for Animal Damage Control activities."

“That the Secretary of agriculture is hereby authorized to purchase on behalf of the United States tract or tracts of land in Pocatello, Idaho, including structures thereon, as in his judgment may be suitable for the establishment of a . . . supply depot.”

5. OTHER FEDERAL LEGISLATION

Other Federal Legislation that may impact the WS program includes:

j. Occupational Safety and Health Act of 1970, (Public Law 91-596)
- see Policy Directive 2.601, 2.605, 2.620, 4.405.
