

## List of Animal Appraisers

The appraiser list was created and vetted by an American Society of Farm Managers and Rural Appraisers (ASFMRA) member by polling ASFMRA members, members of other agricultural organizations, as well as other members of the Appraisal Foundation. Candidates for inclusion in the list/directory of qualified appraisers were interviewed and screened by the ASFMRA member. For appraiser's interested in participating in the process to be added to the appraiser list or other questions related to indemnity valuation, please contact [CEAH\\_Indemnity@usda.gov](mailto:CEAH_Indemnity@usda.gov). The appraiser list is not exclusive; appraisals can be performed by appraiser's not on the list. Remote appraisals accepted.
