2023-APHIS-01566-F	Albert, Thomas	-	Agency records related to the recent Advance Notice of Proposed Rulemaking from APHIS regarding Wild and Exotic Animal Handling, Training of Personnel Involved with Public Handling of Wild and Exotic Animals, and Environmental Enrichment of Species. Species (Docket No. APHIS-2022-022). Specifically I am requesting records related to and/or supporting the following statements in the Notice: Insufficient experience and knowledge of personnel and inadequate safeguards in activities involving exhibited animals can endanger both the animals and the public, particularly in activities involving public contact with wild or exotic animals. In 2021, 44.4 percent (969/2182) of APHIS licensed exhibitors offered interactions between the public and animals as part of their business, representing a 1.8-fold increase from 2019 (25 percent; 505/2024). Between 2019 and 2021, 119 handling non-compliances were reported in eFile on APHIS inspection reports, 12.6 percent of which led to human or animal injury, or animal death. Species used in such interactions include large carnivores, megavertebrates, and nonhuman primates. Most interactions involved full contact (32 percent) or protected contact (43.7 percent) interactions between animals and the public. To further clarify, I am seeking any records, including any internal or external reports, lists or communications or other sources of information, that support or were used as a source for: the figures of 44.4 percent and 25% regarding the number of licensed exhibitors offering interactions between the public and animals as part of their business; the number (119) of handling non-compliances and the statement that 12.6% led to human or animal injury or animal death; the figures of 32% and 43.7% regarding full contact and protected contacted interactions (Date Range for Record Search: From 01/01/2022 To	1/18/2023
