December 2013	44	0	17030
January 2014	41	0	17071
February 2014	21	0	17092

There were 3 surveillance inspections conducted at 3 different sites for a total of 21 fish sampled this month. All sites were scheduled for monthly sampling; however some were unable to be completed as scheduled. Routine harvest of market-size fish continued. The water temperatures remained steady and cool. There were no cages confirmed this month. All sites with fish in the water were Category 1 as of the end of the month.
