Get tips from the experts on keeping your birds safe and healthy.

Learn

- How to keep your birds safe from disease
- What to expect from your flock in fall and winter
- How to prepare for cooler and cold weather ahead
- How to protect your family from illness caused by your birds
- Where to find resources to help you keep your flock safe and healthy

**We will also be answering questions during a
simultaneous Twitter chat: #Chickenchat2014.**

Whether you are just getting started or are an experienced hand at raising birds, you'll find lots of valuable information for FREE!
