1. During the previous 12 months, were members of the general public invited onto the farm other than to the home? 

   - ☐ Yes  ☐ No

   [If question 1 = No, do not administer the questionnaire. Go to the Office Use Section and select response code 6.]

2. Did the public have access to areas or facilities on the farm that house or contain animals, feed, manure, or farm equipment? 

   - ☐ Yes  ☐ No

   [If question 2 = No, do not administer the rest of the questionnaire. Go to the Office Use Section and select response code 6.]
For the purposes of this questionnaire, members of the general public that are invited onto this farm are considered "visitors." This includes individual visitors as well as organized groups, whether or not the visitors are charged admission.

3. How many days of the month, for each month, did visitors have access to the facilities on the farm that housed or contained animals, feed, manure, or farm equipment? What was the average number of visitors for each month?

<table>

11. Is there a clearly defined transition area (physical or conceptual) between animal and non-animal areas, as pictured on reference card 1?  

[If question 11 = No, SKIP to question 13.]

12. Is this transition area marked by signage visible and easily understood by visitors, including what is expected of them in the animal area?  

[If question 13 = Yes, SKIP to question 16.]

13. Is each visitor group escorted through goat visitor areas by a guide?  

14. Are there employees available throughout the goat visitor areas to answer animal questions and direct visitors?  

15. How do visitors typically move through the goat visitor areas?  
[Check one only.]

- □ 1 One-direction flow of visitor traffic
- □ 2 Controlled movement in more than one direction (e.g., directed two-way traffic)
- □ 3 Visitors move freely through the areas with no restrictions
- □ 4 Other (specify: ________________)
16. Does this farm require any of the following policies?  
If policies are used, are there signs present?  
Are the policies verbally communicated?

18. Are visitors allowed to feed goats?  
[If question 18 = No, SKIP to question 21.]
19. Which of the following methods do visitors use to feed the goats?
   a. Hand or bottle feed from outside the pen and through the fence .......... a201   □ Yes □ No
   b. Hand or bottle feed inside the pen ......................................................... a202   □ Yes □ No
   c. Feed placed in a one-way feeding tube ................................................. a203   □ Yes □ No
   d. Other (specify: ___________________________) a204oth ................................ a204   □ Yes □ No

20. Are high-risk populations, such as children under the age of 5, prevented from feeding goats? ................................................................. a205   □ Yes □ No

21. Are hand-washing stations with soap and water available to visitors when they exit the goat visitor areas? ................................................. a206   □ Yes □ No

[If question 21 = No, SKIP to question 25.]

22. Do hand-washing stations have both hot and cold water? ..................... a207   □ Yes □ No

23. On average, how frequently (times per day/per week/per month) when visitors are present are the hand-washing stations checked for availability of items such as water, soap, and paper towels? a208/a209/a210 _____ OR _____ OR _____ times per day per week per month

24. Is a checklist used for employees to know the frequency of inspections for hand-washing areas? ................................................................. a211   □ Yes □ No

25. Is hand sanitizer available to farm visitors when they exit the goat visitor areas? ................................................................. a212   □ Yes □ No

26. How many times per week are goat visitor areas cleaned of manure and debris? ......................................................................................... a213 _____ times

27. How often are goat visitor areas routinely disinfected? (Disinfectant could be 1:10 bleach dilution, phenolic product (1-Stroke Environ® or SynPhenol-3™), or an accelerated hydrogen peroxide product (Intervention™) or Lime). [Check one only.]
   □ 1 After every cleaning
   □ 2 Several times per year
   □ 3 Once per year
   □ 4 Only when sick animals have been removed
   □ 5 Other frequency (specify: ___________________________) a214oth
   □ 6 Never disinfected
28. Are any employees or farm personnel trained or educated on the following topics?
   a. How to communicate agricultural practices to visitors .................................................. a215
      ☐ 1 Yes ☐ 3 No
   b. How to keep visitors safe in goat visiting areas ............................................................. a216
      ☐ 1 Yes ☐ 3 No
   c. Disease transmission risks to visitors .......................................................................... a217
      ☐ 1 Yes ☐ 3 No
   d. Cleaning and disinfecting protocols ............................................................................. a218
      ☐ 1 Yes ☐ 3 No

29. Is there a protocol in place to make sure employees remove animals showing signs of illness (e.g., diarrhea, fever, coughing) from public visitation areas? .... a220
      ☐ 1 Yes ☐ 3 No

   [If question 29 = No, SKIP to question 33.]

30. Was a veterinarian involved in developing this protocol? ................ a221
      ☐ 1 Yes ☐ 3 No

31. Is the protocol:
   a. Written? ....................................................................................................................... a222
      ☐ 1 Yes ☐ 3 No
   b. Verbal? ......................................................................................................................... a223
      ☐ 1 Yes ☐ 3 No

32. How often does the protocol require that these checks for sick animals occur?
   [Check one only.]
      ☐ 1 Daily
      ☐ 2 Weekly
      ☐ 3 Only on exhibit days
      ☐ 4 Other (specify: _________________________) a224oth

33. In the last 12 months, have pregnant does been included in the goat visitor area? .................................................................................. a225
      ☐ 1 Yes ☐ 3 No

   [If question 33 = No, SKIP to question 35.]

34. In the event of an abortion in the goat visitor area, would you: [Check one only.]
      ☐ 1 Leave goats in the goat visitor area?
         If Yes,
            a. Are visitors prevented from contact with aborting does? ................ a227
               ☐ 1 Yes ☐ 3 No
            b. Is there a barrier, such as glass, to prevent shared air space with aborting does? ................ a228
               ☐ 1 Yes ☐ 3 No
      ☐ 2 Remove aborting doe from the goat visitor area?
         If Yes, is contaminated bedding also removed?............................... a229
         ☐ 1 Yes ☐ 3 No
      ☐ 3 Close the goat visitor area
      ☐ 4 Other (specify: _________________________) a226oth
35. In the event of at least one goat becoming ill in the goat visitor area with something other than abortion (for example, diarrhea), which action would be taken? Would you:
[Check one only.]

☐ 1 Leave kids or goats in the area(s) open to visitors?
   If Yes, are visitors prevented from contact with sick goats?………………… a231  ☐ 1 Yes  ☐ 3 No
☐ 2 Remove sick animal(s) from the area(s) open to visitors?
☐ 3 Close the goat visitor area?
☐ 4 Other (specify: ________________________________) a231oth

36. Is any food or drink available for visitors as samples or to purchase?…….. a232  ☐ 1 Yes  ☐ 3 No

[If question 36 = No, SKIP to question 44.]

37. Is food and drink served in an area where animals have ever been kept or where there is possible contact with animals? ……………………… a232  ☐ 1 Yes  ☐ 3 No

38. Are any unpasteurized products served, such as milk, cheese, yogurt, or fruit juice? ………………………………………………… a233  ☐ 1 Yes  ☐ 3 No

39. Are hand-washing stations with soap and water available to farm visitors at the entry to the food service area? …………………………… a234  ☐ 1 Yes  ☐ 3 No

[If question 39 = No, SKIP to question 41.]

40. For these hand-washing stations:
   a. Are visitors required to wash their hands prior to eating? ................. a236  ☐ 1 Yes  ☐ 3 No
   b. Are there signs reminding visitors to wash their hands prior to eating? a237  ☐ 1 Yes  ☐ 3 No
   c. Are there signs indicating where visitors can wash their hands? ……….. a238  ☐ 1 Yes  ☐ 3 No

41. Is hand sanitizer available to visitors in the food service area? …………… a239  ☐ 1 Yes  ☐ 3 No

42. Do employees who handle the animals also serve food or drink to visitors? a240  ☐ 1 Yes  ☐ 3 No

[If question 42 = No, SKIP to question 44.]

43. Between handling animals and serving food or drink to visitors, are employees required to:
   a. Change clothing? ……………………………………………………………… a241  ☐ 1 Yes  ☐ 3 No
   b. Change footwear? ……………………………………………………………… a242  ☐ 1 Yes  ☐ 3 No
   c. Wash hands? ……………………………………………………………………………… a243  ☐ 1 Yes  ☐ 3 No
   d. Wear disposable gloves? …………………………………………………………… a244  ☐ 1 Yes  ☐ 3 No

44. a. Have you met with an insurance agent about protecting your farm through policies for an agritourism operation? …………………………… a245  ☐ 1 Yes  ☐ 3 No
   b. If Yes, have you added policies specific to public visitation on your farm? ………………………………………………………………………. a246  ☐ 1 Yes  ☐ 3 No
