2. Page 7, new text and screenshot added, "Upon saving a “Modify Employee Information” submission type, the application will show the information that was updated/changed from the previously saved version."
3. Page 8, link to Account Details User Guide was added
Qualifications of Veterinary Biologics Personnel - (APHIS 2007)

For APHIS Form 2007 submissions, start by entering the CVB section of the Portal and then navigating to the 2007 Submission Form.

You will be taken to the Qualifications of Veterinary Biologics Personnel Form.
Submission Type:

- **New User/Site** - For an employee who has never had an APHIS Form 2007 submitted to the CVB for the selected Establishment Site.

- **Modify Employee Information** - For an employee who already has information existing under the selected Establishment Site and the information needs to be updated. This option will pull the existing information for modification. There is the option to change sites by selecting a site from the drop down list in the "Updated Site Address" field, if there is no change to the site then this field will be the same as the "Current Site Address" field.

- **Inactivate User** - For an employee who is no longer employed or no longer needs access to the NCAH Portal. This option will also pull the existing information from the CVB database and will automatically terminate access to the NCAH Portal upon submission to the CVB.

- **Reactivate User** - For an employee who previously was employed at the establishment and site, this will reactivate the employee for the site chosen. Employee and Employment Information as well as Education History may be updated prior to submission.

**Establishment** - Select from the list of manufacturers. This list is populated by the active manufacturers the current portal user is assigned to within the CVB database.

**Current Site Address** - Provide the physical address of the applicant’s main work duty station. All licensed sites will appear in the drop down list.

**Updated Site Address** - The ability for an employee to switch sites if already active at the establishment. The updated site must be on the same establishment license.

EMPLOYEE INFORMATION

Name

Prefix - Select Prefix for employee. This is a non-mandatory field

Last - Enter employee’s last name.

First - Enter employee’s first name.

Middle - If available enter employee’s middle name, this is a non-mandatory field.

Contact Info

Phone Number - Although not mandatory, applicants are strongly encouraged to provide their work phone number. Provide the country code if the primary work site is outside of the United States.

Fax Number - This is a non-mandatory field for the employee’s work fax number.

E-mail Address - This is a non-mandatory field for the employee’s work email address; however, is strongly encouraged for roles receiving written communication from APHIS such as Liaison, Alternate Liaison, and Serial Release.

eAuthentication Username - This is a non-mandatory field for the employee’s eAuth user name. However, this is needed for an employee to obtain access to the NCAH Portal. Specific portal access roles will be based upon duties/roles, as show in the Employment Information Section of this document.

Allow Portal Access? - This field allows employers to determine if the employee shall have access to the NCAH Portal. This field allows a user to have access to one establishment, while possibly not at another establishment. (Site Specific access)
Duties/Roles - Select any role(s) that are assigned to the employee. These roles are usually in relation to a government assigned role or contact. Not all applicants will have assigned roles.

**Note:** Please see Portal Roles User Guide for designated roles within the NCAH Portal. Starred (*) items below are roles that enable elevated levels of portal access.

- **Supervisor, Animal Care** – Firm designated role.
- **Chair, Animal Care/Use Committee (IACUC)** – Firm designated role.
- **Consumer Complaint Contact** – Firm designated role.
- **Export Contact** – Firm designated role. The primary contact for export documents.
- **Liaison** – Confirmed by the CVB. Primary point of contact for all official correspondence submitted.
- **Liaison, Alternate** – Confirmed by the CVB. Secondary point of contact for all official correspondence.
- **Quality Review** – Firm designated role. Role that has access for quality checks on all NCAH Portal submissions prior to being submitted to the CVB.
- **Sampler, Authorized** – Confirmed by the CVB. Designated role for the selection and submission of government routine/retention samples & master seeds and cells.
- **Serial Release** – Firm designated role. Point of contact for the preparation and submission of biological summaries (APHIS Form 2008s).
- **Site Contact** – Firm designated role. Contact for CVB for sites that may not have liaisons or alternate liaisons, such as foreign manufacturing sites.
- **Veterinarian of Record** – Firm designated role.

Next: Entering APHIS 2007 form - Continued
**Qualifications of Veterinary Biologics Personnel** - (APHIS 2007)

**EDUCATIONAL HISTORY**

**Education** – Only list education relevant to working in the biologics industry or with biological products. If an employee has roles of Liaison or Alternate Liaison, the Educational History must be filled out for at least one degree. See VSM 800.63.

(Note: Name of Institution is no longer requested). Only enter the 2 most recent degrees. If desired, the employee may upload an attachment within the Misc. Data file to include additional information.

**MISC.**

**Data File** – Optional attachment for any relevant information for the applicant that elects to provide. Examples may include evidence of trainings (such as sampler training), or requests for CVB confirmed roles (Liaison).

**Remarks** – Optional field for any additional comments, up to 150 characters.
Qualifications of Veterinary Biologics Personnel - (APHIS 2007)

Upon saving a “Modify Employee Information” submission type, the application will show the information that was updated/changed from the previously saved version.

Select to Edit the submitted form.  
Note: Once CVB has received the data you can no longer edit or delete.
Qualifications of Veterinary Biologics Personnel - (APHIS 2007)

Submit One 2007 to CVB

Submit – Only liaisons or alternate liaisons may submit APHIS Form 2007s to the CVB. Upon submission, the user will receive the Mail Log number.

Submit Multiple 2007s to CVB

To submit multiple 2007s in one submission to the CVB, choose View Draft Submissions to the CVB.

Then click in the check boxes to select items to be submitted

Note: Once CVB has received the data you can no longer edit or delete.

To see status updates of the Form 2007 information or if the record has been completed by the CVB, see your Submission History (CVB) page in the NCAH Portal. Click here to see the Submission History (CVB) and Account Details User Guide.
