Center for Veterinary
Biologics
Suite 104
510 South 17th Street
Ames, IA 50010
(515) 232-5785
FAX (515) 232-7120

Subject: CVB Liaison Authorization Process

To: Biologics Licensees, Permittees, and Applicants
Directors, Center for Veterinary Biologics

I. PURPOSE

The purpose of this notice is to remind interested parties that the Center for Veterinary Biologics (CVB) requires official notification when initiating or changing the designated liaison who handles all regulatory discussions between the firm and CVB in accordance with 9 CFR 114.7 and VS Memoranda 800.50 and 800.63.

II. BACKGROUND

The requirements pertaining to personnel at licensed establishments are described briefly in the above listed guidance documents, but further clarification was deemed necessary in order for CVB to keep apprised of a firm's contact information.

III. ACTION

Firms appointing (or reappointing) a new official liaison must notify the CVB-Licensing and Policy Development in writing as well as submit an APHIS Form 2007 for the employee in order for CVB to maintain current contact information. The APHIS Form 2007 will be forwarded and filed by the CVB-Inspection and Compliance. The CVB requests one original copy of the APHIS Form 2007 and notification in writing of any changes, such as termination or change in job title.
