Certification Statements

Once you have certification statements entered you can click on the + sign next to the statement you want to add it to the remarks. Click on Manage Certification Statements to Add, Edit, or Remove statements from your list.

The screenshot displays a web interface for managing certification statements. On the left, a text area labeled 'Remarks' contains the text: 'This is a new certification statement for cattle going to WY. Statement for sheep'. On the right, a 'Certification Statement Library' lists several statements, each with a '+' icon to its left. The '+' icons for the statements 'This is a new certification statement for cattle going to WY.' and 'Statement for sheep' are circled in red. At the bottom of the library, a button labeled 'Manage Certification Statements' is also circled in red.

- + Another statement for cattle
- + Statement for pigs
- + Statement for sheep

Manage Certification Statements

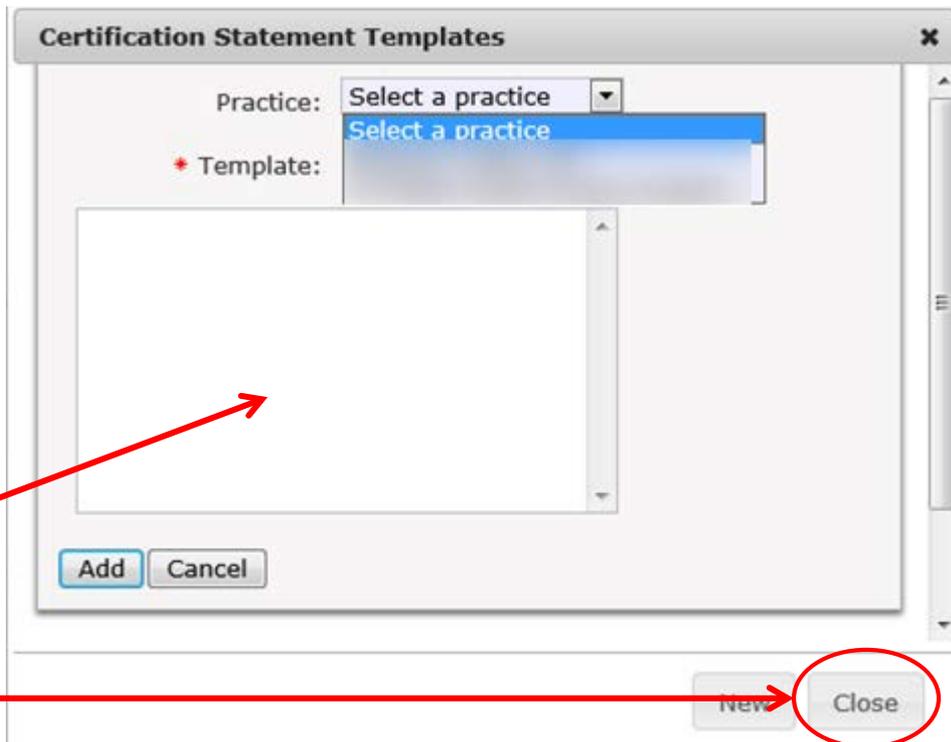

Click on the + sign to add a certification statement that is listed.
Can also Inactivate, Edit, or Delete.

Click on New to create a new statement.

You can share your statements with a Practice if you have one created. Leave at 'Select a Practice' if you don't.

Add your certification statement in the blank box and click Add.

When done click Close.

After entering your certification statements you are back at the CVI data entry screen. Continue to Animal Details
