Welcome to VSPS for State Veterinarian Offices

Thank you for your interest in the Veterinary Service Process Streamlining (VSPS).

With the State Regulatory Official (SRO) Role you can:
- Search for and View International Animal Imports that have a Destination of your State.
- View Interstate CVIs that have an Origin or Destination of your State and process Interstate Certificates coming into your State.
- Manage State Certification Statements for your State so Veterinarians entering Interstate Health Certificates can easily add the required statements.
- View Coggins tests completed in your State.
- View details on Accredited Veterinarians including accredited status, renewal date, category, etc.
- Export search results to an Excel file for Coggins and CVI searches.

With the State Office Data Entry Role you can:
- Enter Retrospective CVI’s for your State.
- Search for Retrospective CVI’s with an Origin or Destination of your State.

The Retrospective-CVI feature enables State Veterinary Office personnel to transcribe data from a paper Certificate of Veterinary Inspection (CVI) into a standard electronic form, which is then saved into VSPS. Once in VSPS, the CVI’s data can be searched for, edited, and duplicated (in order to create additional CVIs that share common data with the original CVI).

In order to use VSPS and have the above roles approved you will need to complete all 3 steps below:

Step 1: Create a Level 2 eAuthentication (E-Auth) account (a multi-step process). eAuthentication is a USDA imposed identity proofing concept for security purposes. It verifies your identity.

Step 2: Email the designated mailbox for your State letting them know you will be requesting the role in VSPS.

Step 3: Create a VSPS profile and request the State Regulatory Official or State Office Data Entry role, depending on what you need to do in VSPS.

Answer all 5 identity verification questions.

If you are unable to verify your identity using the On-Line Self-Service. You will have to visit a Local Registration Authority (LRA) in person order to validate your identity and get your Level 2 account activated. Please CALL the LRA before visiting the office to make sure they will be available.

This link will take you to a map to select your State where you can find the closest LRA to you: 
http://offices.sc.egov.usda.gov

Take your government issued photo ID (e.g. state issued drivers license) and present it in person to a Local Registration Authority (LRA) who can activate your account with Level 2 access. Most LRAs are located at a USDA Service Center office. We recommend that you call ahead to ensure that an employee trained as a Local Registration Authority (LRA) will be available to provide the service at the time you plan to visit the Service Center.
Step 2: Email the designated mailbox for your State letting them know you will be requesting the role in VSPS.

**This step must be done before your role will be approved in VSPS**

Email the below information to the Point of Contact for your State located here:

Email Subject Line: State Office Access Request in VSPS
In the email include: First Name, Last Name, Email address, eAuthentication username
Let them know you need to be added into the User Management System (UMS) to get access to VSPS.
Include which role you need: State Regulatory Official or State Office Data Entry and include which State you need access to.
**DO NOT include your eAuthentication password**

Step 3: Creating a VSPS Profile with the Role of State Regulatory Official or State Office Data Entry

Log into VSPS by going to the following web address and click LOG IN:
https://vsapps.aphis.usda.gov/vsp/
Fill out your user profile (making sure to complete all fields with a red asterisk). Click Submit.

Click the ‘Request State Authorization’ link next to the role you need, either State Regulatory Official OR State Office Data Entry.

Select your State and click Request.
After you have completed all 3 steps, the State Regulatory Official or State Office Data Entry role will typically be approved in VSPS within 48 hours if requested during the work week. You can check to see if the role is approved by going to the Personal Profile – My Roles. Once the role is approved the status will say ‘Approved’.

If more than 2 working days have elapsed and your role is not approved, contact your point of contact listed for your State in the following document:
