

How to Register with APHIS-BRS Stakeholder Registry to Receive Important Information Via E-mail or Text Message

Control + Click the link below or copy and paste into your browser (Internet Explorer, Firefox, etc.):

https://public.govdelivery.com/accounts/USDAAPHIS/subscriber/topics?qsp=USDAAPHIS_6.

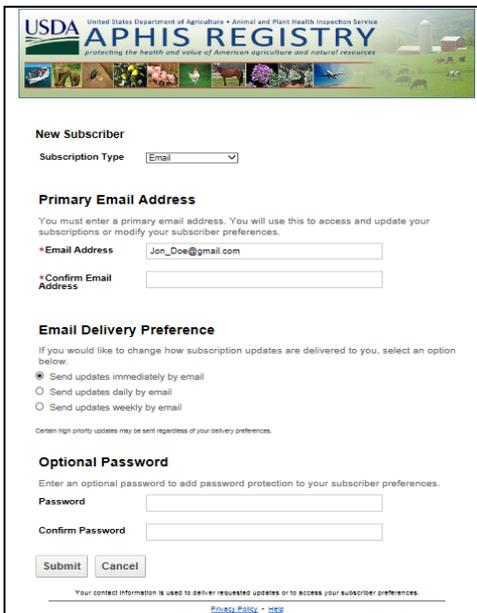

Or navigate to the APHIS-BRS Home Page (<http://www.aphis.usda.gov/wps/portal/aphis/ourfocus/biotechnology>) and click the red “Notify Me” icon just below the right-hand navigation. (The URL destination for the icon is the same as the first link at the top of this instruction set.)

You'll be prompted to select how you'd like to receive notifications, either E-mail or SMS Text Message, and enter your e-mail address or phone number. Then click the “Submit” button.

The next screen will prompt you to confirm your e-mail address or phone number, set delivery preferences and assign a password if you wish. Then click the “Submit” button.

To receive all BRS notifications, select the checkbox next to “Biotechnology Regulatory Services”, or you may select any or all of the specific notification types below that one to be alerted on those only: *Federal Register* publications, other publications such press releases and Q&As, or Meetings. Then click the “Submit” button.

Biotechnology Regulatory Services

- News and Information**
 - Federal Register Publications
 - Press releases, stakeholder announcements, factsheets, Q&A's, brochures, etc.
 - Meetings

Your contact information is used to deliver requested updates or to access your subscriber preferences.

[Privacy Policy](#) - [Help](#)

In the penultimate screen you should provide professional background information. In the final screen you can choose to sign-up for notifications from our Federal and local government partners (not shown here as it is a lengthy list). Then click the “Submit” buttons respectively and you’re now registered.
