Subject: Compliance Agreement

PII [REDACTED]

Regarding our conversation about shipping H7-1 sugar beet seed for the variety trial in Yuma Arizona. I understand that the shipment of the seed to [REDACTED] would be done under the Compliance Agreement with Spreckels Sugar Company, Inc. Shipping will be done using all of the parameters of containment in place for shipping H7-1 seed. [REDACTED] material will be used in the variety trial. I appreciate all of your work in getting the Compliance Agreement completed in time for our planting season.
