**SUBJECT:** Compliance Agreement Request

This letter serves as the formal request for Monsanto to be the responsible entity and enter into a compliance agreement with APHIS/BRS in advance of the shipment (import/movement) and/or planting (environmental release) of H7-1 sugar beets (seeds and roots) associated with the H7-1

sugar beet root crop production activities. I, [PII], am the authorized representative approved by Monsanto, the responsible entity, and authorized to request, legally bind and obligate, and sign the compliance agreement on behalf of Monsanto and its members, growers, contractors, etc.

Monsanto wishes to move and plant H7-1 sugar beet (seeds and roots) associated with sugar beet root production activities. The required information is provided below. Please FAX or send the compliance agreement to [PII] for our review and signature.

**Business Information:**

Monsanto Company  
800 N. Lindbergh Blvd.  
St. Louis, MO 63167

*Nature of the Responsibility Entity:* [PII]

*States where activities will be conducted:* MN, MT, ND

*Type of activity:* Environmental Release

**Third Party Inspector and Third Party Auditor Information:**

The names and qualifications of third party auditors/inspectors are attached.

**For Importation and Movement:** Harvested roots may be transported interstate for processing into sugar. The amount and locations are provided in Appendix I.

**For Environmental Release:** All release sites below have been under agricultural production for the past three years.
