Dear PII :

This letter notifies you that the U.S. Department of Agriculture (USDA) inspection conducted at Geary County, Kansas revealed that this introduction is in compliance with applicable USDA regulations in Title 7 Code of Federal Regulations Part 340. William Anderson, a USDA inspector, conducted the inspection on April 28, 2015, to determine if the activities related to Permit/Notification 14-364-103r complied with applicable requirements in the above regulations.

No response is necessary from you at this time. Please feel free to contact me if you have questions or need additional information.

Sincerely,

Gary W Brown
