**Animal Health Mission to Safeguard the Health
of Animals, People and the Environment**

Put your veterinary skills to work protecting the nation's livestock and poultry? Here's your chance to join the Animal and Plant Health Inspection Service (APHIS) team!

APHIS is looking for qualified individuals to serve in a variety of term, temporary and permanent positions supporting the Veterinary Services unit, which focuses on animal health issues.

You can find the current job listings here:

www.aphis.usda.gov/animal-health/vsjobs

Or search APHIS Veterinary Services on www.USAJobs.gov

To learn more about what these jobs entail on a day-to-day basis, contact your local APHIS office and talk to your local assistant director. Contact information for the local offices is available at: <http://www.aphis.usda.gov/animal-health/state-offices>
