Export Alert

Currently Honduras is conducting inspection upon arrival for all consignments originating in Georgia, Alabama, North Carolina and South Carolina for detection of *Megacopta cribraria* (common name, Kudzu bug). Exporters, please inspect containers for this insect prior to shipping to avoid delay or rejection.

Need Help Exporting Animal Products?

If you have any questions or concerns about the procedures and requirements for exporting animal products, or to obtain a zoosanitary certificate for an animal product, contact the APHIS Veterinary Services office covering the area from which the product will be exported, the area in which your office is located, or the area in which the product is manufactured.

Certificate Endorsement or Export Questions

For animal product export certificate endorsement or questions, select your State or Territory to email the appropriate office and include "Animal products: endorsement or question" plus your State or Territory's name in the subject line. **Note:** Offices

may serve multiple States and Territories.
