Privacy Act of 1974; System of Records

AGENCY: Office of the Chief Information Officer (OCIO).

ACTION: Notice of a new System of Records.

SUMMARY: In accordance with the Privacy Act of 1974, as amended, the U.S. Department of Agriculture (USDA), Office of the Chief Information Officer (OCIO), proposes to establish a new system of records entitled, Freedom of Information Act (FOIA) and Privacy Act (PA) Requests and Administrative Appeals Files, to cover both electronic and paper files created during the processing of access requests and appeals under the FOIA and PA and amendment requests under the PA in all USDA components with the exception of the Office of the Inspector General (OIG) whom maintains its own system of records for these types of files. The OCIO is also deleting USDA/OCIO-01—Freedom of Information Act Express (FX) published at 76 FR 54190 (August 31, 2011) because the new system would be duplicative.

DATES: This notice will be effective without further notice on June 4, 2018 unless modified by a subsequent notice to incorporate comments received from the public. Written or electronic comments must be received by the contact person listed below on or before May 3, 2018 to be assured consideration.

ADDRESSES: The public, Office of Management and Budget (OMB), and Congress are invited to submit any comments to USDA, Attn: Department FOIA Officer, Office of the Chief Information Officer, USDA, 1400 Independence Avenue SW, Room 428-W, Washington, DC 20250, or by email to USDAFOIA@ocio.usda.gov.

FOR FURTHER INFORMATION CONTACT:

Alexis R. Graves, Department FOIA Officer, Office of the Chief Information Officer, USDA, 1400 Independence Avenue SW, Room 428-W, Washington, DC 20250.

SUPPLEMENTARY INFORMATION: This system of record notice (SORN) extends the coverage previously provided in USDA/OCIO-01—Freedom of Information Act Express (FX) to include other internal tracking systems in addition to electronic and paper files. As such, the new system conveys updated system locations, categories of records, routine uses one of which permits records to be provided to the National Archives and Records Administration, Office of Government Information Services for purposes set forth under 5 U.S.C. 552(h)(2)(A–B) and (3), storage, safeguards, retention and disposal, system manager and address, notification procedures, records access, and contesting procedures.

If the USDA component is unknown, contact the USDA Department FOIA Officer, Office of the Chief Information Officer, USDA, 1400 Independence Avenue SW, Room 428-W, Washington, DC 20250.

Your full name and current address should accompany requests for access. You will also be required at a minimum to sign your request. In addition, the request for access should (1) explain why you believe the USDA component would have information on you and (2) if known, when you believe the records would have been created. Without the above information, the USDA component may be unable to conduct an effective search, and your request may be denied due to lack of specificity or lack of compliance with applicable regulations.

Note: An individual, who is the subject of a record in the system, may access those records that are not exempt from disclosure. A determination whether a record may be accessed will be made at the time a request is received.

If you are seeking records pertaining to another living individual, you must obtain a statement from that individual certifying their agreement for you to access their records.

CONTESTING RECORD PROCEDURES:

Paperwork Reduction Act of 1995

This notice does not contain reporting or recordkeeping requirements subject to approval by the Office of Management and Budget in accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3507).

Executive Order 12372

This program is listed in the Catalog of Federal Domestic Assistance Programs under No. 10.557, and is subject to the provisions of Executive Order 12372, which requires intergovernmental consultation with State and local officials (7 CFR part 3015, subpart V, 48 FR 29100, June 24, 1983, and 49 FR 22675, May 31, 1984).

Description

Section 17(d)(2)(A) of the Child Nutrition Act of 1966, as amended (42 U.S.C. 1786(d)(2)(A)), requires the Secretary of Agriculture to establish income criteria to be used with nutritional risk criteria in determining a person’s eligibility for participation in the WIC Program. The law provides that persons will be income-eligible for the WIC Program only if they are members of families that satisfy the income standard prescribed for reduced-price school meals under section 9(b) of the Richard B. Russell National School Lunch Act (42 U.S.C. 1758(b)). Under section 9(b), the income limit for reduced-price school meals is 185

percent of the Federal poverty guidelines, as adjusted.

Section 9(b) also requires that these guidelines be revised annually to reflect changes in the Consumer Price Index. The annual revision for 2018 was published by the Department of Health and Human Services (HHS) at 83 FR 2642, January 18, 2018. The guidelines published by HHS are referred to as the “poverty guidelines.”

Section 246.7(d)(1) of the WIC regulations (Title 7, Code of Federal Regulations) specifies that State agencies may prescribe income guidelines either equaling the income guidelines established under Section 9 of the Richard B. Russell National School Lunch Act for reduced-price school meals, or identical to State or local guidelines for free or reduced-price health care. However, in conforming WIC income guidelines to State or local health care guidelines, the State cannot establish WIC guidelines which exceed the guidelines for reduced-price school meals, or which are less than 100 percent of the Federal poverty guidelines. Consistent with the method used to compute income eligibility guidelines for reduced-price meals under the National School Lunch Program, the poverty guidelines were multiplied by 1.85 and the results rounded upward to the next whole dollar.

At this time, the Department is publishing the maximum and minimum WIC income eligibility guidelines by household size for the period of July 1, 2018 through June 30, 2019. Consistent with section 17(f)(17) of the Child Nutrition Act of 1966, as amended (42 U.S.C. 1786(f)(17)), a State agency may implement the revised WIC income eligibility guidelines concurrently with the implementation of income eligibility guidelines under the Medicaid Program established under Title XIX of the Social Security Act (42 U.S.C. 1396, *et seq.*). State agencies may coordinate implementation with the revised Medicaid guidelines, *i.e.*, earlier in the year, but in no case may implementation take place later than July 1, 2018. State agencies that do not coordinate implementation with the revised Medicaid guidelines must implement the WIC income eligibility guidelines on or before July 1, 2018.
