

**“A democracy requires accountability, and accountability requires transparency”**

- President Barack Obama

Along with the President, our APHIS Leadership is also committed to transparency.

To foster APHIS' commitment to transparency, the APHIS eFOIA Reading Room has been revamped to make it more informative and accessible.

Visit the eFOIA Reading Room to see:

- Animal Care Inspection Reports
- BRS Permits and Inspection Documents
- Documents Released through FOIA Requests
- FOIA Guidance, Training and Resources
- APHIS Policy Manuals, Opinions, Reports and Directives
- Descriptions about the APHIS program offices; and so much more.

We invite you to take a tour of our eFOIA Reading Room and see what you can learn about APHIS. Please check back often, as we will continuously post new information about our policies and programs.
