2017-APHIS-02842-F	Loewenstein, Josh	DSCC	3/21/2017	4/18/2017	Re: Freedom of Information Act Request To Whom It May Concern: Pursuant to the Freedom of Information Act, 5 U.S.C. §552 et seq. ("FOIA"), I request copies of all documents outlined in detail below: • Any Freedom of Information Act requests filed January 2016 to present regarding Senator Jon Tester or the staff or representatives of Senator Jon Tester, in both his capacity as a United States Senator and as a private citizen. • Any responsive documents sent out by your agency in response to the above Freedom of Information Act requests. Direct correspondence should include letters, emails, reports, and other relevant material. I am not seeking any secondary material such as phone logs, notations of conversation, etc. If any records are withheld or redacted, I request that you state the specific legal and factual grounds for withholding any documents or portions of documents, please identify each document that falls with scope of this request but is withheld from release. If requested documents are located in another installation or bureau, I request that you please refer this request or any relevant portion of this request to the appropriate installation or bureau. To the extent that the responsive records are available in electronic format, I would prefer to receive the information via email or CD, particularly if providing the information reduces the time or expense involved. Otherwise, I will expect to receive the information in paper form. To help assess my status for copying and mailing fees, please note that I am gathering information for research purposes and not for commercial activities. I am willing to pay all reasonable costs incurred in locating and duplicating these materials. But please contact me prior to processing to approve any fees or charges incurred in excess of \$50. Thank you for your cooperation with this request. I am willing to discuss ways to make this request more manageable to your office. Please do not hesitate to contact me at my direct line at (b) (6) . 2017-APHIS-03128-F	Cooper, Gary C.	-	3/29/2017	4/26/2017	This is a request under the Freedom of Information Act ("FOIA") for certain records normally kept by the United States Department of Agriculture (USDA"), Animal and Plant Health Inspection Service ("APHIS"), during the course of its investigations and attendant enforcement actions taken in connection with and pursuant to its inspection of imported merchandise. This request is on behalf of this law firm's client, Smile House Cafe, the importer of the seized merchandise at issue (authorization attached). Specifically, this is to request all reports of investigation, related test results (or statement that no tests of subject products were taken), documents, papers, notes, matrixes, schedules, formal reports, email, electronic communications of all types, or any other materials pertinent to and preceding or subsequent to CBP Entry No. EGG-0043897-1 (original Entry/Immediate Delivery made on January 1, 2017); all products shipped on this entry; the CBP seizure case attendant to this entry; and San Francisco Penalty Case No. 2017-2809-300015-01 of February 14, 2017. Please include inter-agency or intra-agency memoranda or letters which would be available by law to a private party in litigation with the agency. We understand certain laws alleged to be violated and a basis of the penalty case and seizure cited above are administered and enforced by the USDA and APHIS. We request acknowledgement of receipt of this request and that it be forwarded to appropriate parties (i.e., USDA or APHIS Disclosure Branch or FOIA Branch) as necessary. It is requested that this matter be expedited as possible since we require this information for evaluation and review in defense of a significant penalty that has been assessed in addition to the seizure and immediate destruction of the subject products. We make a firm agreement to pay the fees for search and duplication determined in accordance with the FOIA at 5 U.S.C. §552. If this fee would be over \$75 we request that we be notified before the agency proceeds with the work. If you deny any part of this request, please cite each specific reason that you think justifies your refusal to release the information. If there are any correspondences, electronic or otherwise, that are not being released, we ask that these be listed with a brief description of the document. Please notify us of appeal procedures available under the law. (Date Range for Record Search: From 01/01/2017 To 04/30/2017)	5/2/2017

2017-APHIS-03543-F	(b) (6)	PETA	3/23/2017	4/20/2017	On Dec 17, 2014, PETA submitted a complaint to the USDA, based on a (b) (6) at Texas Biomedical Research Institute (74-R-0003). The concern was issued number AC15-123. On February 20, 2015, we submitted a FOIA request to your office for documents related to the submitted concerns; but on March 24, 2015, we learned from your office that an investigation by APHIS' Investigative and Enforcement Services had been opened and you could, therefore, not release records at that point. I am hereby submitting a new FOIA request related to this case. For the AC complaint AC15-123 concerning Texas Biomedical Research Institute, I request: 1. Complete narratives of the investigation conducted by the USDA, including the results of the USDA's findings; 2. Correspondence between the USDA and Texas Biomed for the period from January 1, 2014, to the present; 3. Copies of any photographic or videographic documentation recorded by the USDA during its investigation; 4. Final investigative reports and settlement agreements filed by the USDA; and 5. Official warnings issued by the USDA to the parties involved in this case.	-
2017-APHIS-03546-F	Pawliger, Michelle	Animal Welfare Institute	3/22/2017	4/19/2017	In March 2015, AWI received a spreadsheet (see page 3) through records responsive to FOIA requests 2015-APHIS-05838-F and 2015-APHIS-05839-F. The spreadsheet provides information on incidents of avian influenza and depopulation methods for controlling the disease. I respectfully request a copy of the same chart with incidents from July 2015 to present. If this is not available, I respectfully request any records containing information related to incidents of high and low pathogenic avian influenza that also include the depopulation method used with the same time frame as above.	-
