All records and information relating or referring to, or constituting, APHIS's recommended or required methodology or guidelines for Institutional Collection Plans for its member institutions. 7.) All records relating or referring to, or constituting, APHIS's recommended or required methodology or guidelines for assessing animal welfare and wellness for its member institutions. 8.) All records relating or referring to, or constituting, APHIS's recommended or required methodology or guidelines for preventive animal medicine for its member institutions. 9.) All records relating or referring to, or constituting, examinations and inspections of the Elephants' enclosures, behavior, care, health, maintenance or well-being including, without limitation, by USDA, APHIS, AZA, or any other agency or body • Yes, items 2 through 7 are clarifications of our Line Item 1 request. • We define "provide to IDA the following information for the period January 1, 2013 to the present" as to the date of fulfillment of our request. This applies to all of all requests in this, our FOIA. To be clear, when we request "all" in any aspect of our FOIL including the clarifications here, please take it to mean only for this period. • In all of our FOIL requests regarding the three elephants at Bronx Zoo, we include the Bronx Zoo's operator and agent, Wildlife Conservation Society (WCS). We assumed this would be the likely USDA/APHIS's interpretation, but this is our clarification. • We define "records" as all documents, reports and correspondence sent, transmitted, or otherwise communicated between USDA/APHIS and Bronx Zoo and Wildlife Conservation Society (WCS), Bronx Zoo's operator and agent, including any employees or agents of both the Bronx Zoo and WCS regarding Inspections, Complaints, Ke and Stipulations RELATING to the THREE ELEPHANTS we identified in our original request. • All documents, reports and correspondence sent, transmitted, or otherwise communicated between USDA/APHIS, including any employees or agents thereof, and Bronx Zoo and Wildlife Conservation Society (WCS), Bronx Zoo's operator and agent, including any employees or agents of both the Bronx Zoo and WCS NOT already discovered through the remainder of our requests that contain one or more of the following keyword search terms: o Tuberculosis - includes treatment, evaluation, recommendations o "Happy" - an Asian female elephant, wild-born 1971 o "Maxine" - an Asian female elephant, wild-born 1 (Date Range for Record Search: From 1/1/2013 To 9/14/2018)</p> | - |
