2019-APHIS-02276-F	Phillips, Jennifer	KXII News 12	2/19/2019	3/20/2019	I am requesting any citations issued to Tim Stark, Melisa Stark or Wildlife in Need, Inc. out of Charlestown, IN by the USDA for abuse of animals, specifically exotic animals. When I say citations, I am referring to non-compliance items found during the inspections. This case involves big cats (lions, tigers) primates (coatimundis, monkeys, lemurs) and could even involve bears, camels, or zebras. The people involved have owned exotic zoos in the past, this is why the range of animals are so broad. I am just fine with limiting the search to only those records within the retention limit of three years. (Date Range for Record Search: From 1/1/2016 To 2/20/2019)	-
2019-APHIS-02277-F	Phillips, Jennifer	KXII News 12	2/19/2019	3/20/2019	I am requesting any citations issued to Jeff Lowe, Lauren Lowe or Tropical & Rebecca, LLC out of Las Vegas, NV by the USDA for abuse of animals, specifically exotic animals. (These records may also be out of the state of Oklahoma.) Thanks for your quick response. When I say citations, I am indeed referring to the non-compliance items found during inspections. This case involves big cats (lions, tigers) primates (coatimundis, monkeys, lemurs) and could even involve bears, camels or zebras. The people involved have owned exotic zoos in the past, this is why the range of animals is so broad. This could also include businesses previously held by Mr. Lowe, including Neon Jungle and junglebus.com if that helps with your search. I am just fine with limiting this search to only those records within the retention limit of three years. (Date Range for Record Search: From 1/1/2016 To 2/18/2019)	-
