Subject FOIA request for 08-337-106r]

Dear Colleague,

I request a copy of the CBI-deleted version of application 08-337-106r. I want to know the details of the promoter used to express the transgene, and it is my understanding that this was not designated CBI.

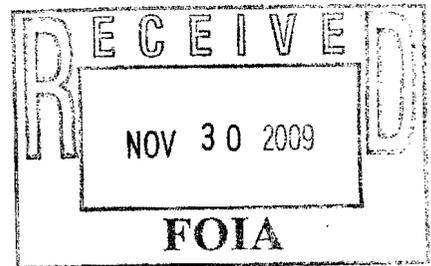

I am a retired professor; my home address is _____ home phone is _____ I will pay any fees that are required, but it is my understanding that, since only 7 pages are requested, there would not be a charge.

Thank you for your kind consideration and assistance.
