Dear Ms. Weber:

This is in response to your April 22, 2010, Freedom of Information Act (FOIA) request for records concerning the deregulation petition 09-183-01p submitted by Monsanto on July 2, 2009, for soybean event MON 87769. Your request was received in this office on April 22, 2010, and assigned case number FOIA 10-402. We apologize for the delay of this response.

Agency employees have conducted a thorough search of their files and have located the enclosed 395 pages of records responsive to your request on CD-ROM. The records were provided by Biotechnology Regulatory Services (BRS) program office and are being released in their entirety without redactions.

Also contained on the CD-ROM is rp505enu.exe, which is a free copy of Adobe® Acrobat® Reader™ that is needed to view the responsive records. By opening rp505enu.exe and following the on-screen instructions, you will install Adobe Reader. After installation, the Adobe Reader should render the PDF files correctly.

All fees pertaining to this request have been waived. If you have any questions concerning this request, please contact Mr. Robbie Perry of my staff at (301) 734-8696.

Sincerely,

fo. Tonya G. Woods
