Dear Mr. De Los Santos:

This is in response to your October 28, 2009, Freedom of Information Act (FOIA) request for all dipping certificates for any and all livestock owned by Adolfo Garcia. Your request was received in this office on October 28, 2009, and assigned case number FOIA 10-054. We apologize for the delay of this response.

Agency employees conducted a thorough search of their files and identified one document responsive to your request. However, the document identified originated with the Texas Animal Health Commission, which is a government Agency under the State of Texas. As the Acting Director of the USDA, APHIS, Freedom of Information Act Office, I have release authority for records originating in USDA, APHIS, only. Therefore, I do not have the authority to release this document to you. However, you may elect to forward your request to the Texas Animal Health Commission, so that they may undertake a search for the document you would like to receive. You may reach the Texas Animal Health Commission via telephone at (512) 719-0700.

If you have any questions, please contact Collette Rose of my staff at (301) 734-0797.

Sincerely,
