Description of Information you are Requesting:

This is a request under the Freedom of Information Act. I request that a copy of the following document be provided to me. A report or statement completed by Dr. Dale Weinman, APHIS veterinary employed at the USDA New York Animal Import Center, 474 International Boulevard in Rock Tavern, New York detailing the facts and circumstances surrounding an accident on March 27, 2010 that resulted in the euthanasia of one thoroughbred horse "KOREA SUN". During handling at the center on March 27, 2010, the horse fell and struck its head on the concrete floor of the barn causing traumatic and severe injuries ultimately requiring the euthanasia of the animal.

My office represents the Korean underwriters that insured Korea SUN during transportation from Korea to Ashland, Virginia. The horse owners, the Korea Racing Authority has submitted a claim in Korea under the certificate of insurance requesting settlement for the full amount of the sum insured. The animal was a thoroughbred shipped to the USA in order to race professionally for purse money.

I am willing to pay a fee of up to \$25.00 or more for a copy of the report. If the fees exceed this amount, please inform me first.

I ask that my request receive expedited processing in as much as the owners of the deceased horse are pressing my client in Korea for settlement in a timely manner.

Thank you for your consideration of this request.
